

## **Professional Engineer**

South Central Planning & Development Commission is seeking a Professional Engineer at its Baton Rouge location. The main responsibility of this position is to perform administrative and professional engineering work as a licensed professional engineer in the Baton Rouge Subdivision Development Office. Work involves supervising the planning, designing, construction, inspection and/or maintenance of programs by application of engineering reason and judgment. At a minimum, applicants must possess a license to practice professional engineering as issued by the Louisiana Professional Engineering and Land Surveying Board. Ideal candidate will possess knowledge of public works design construction and maintenance, as well as knowledge of applicable laws and regulatory codes relevant to development and construction of subdivisions. Prior parish, municipal or regional experience a plus. This position is a full-time, salaried position with permanent status and fringe benefits. Benefits include retirement, health/dental/vision/life insurance, paid holidays, vacation & sick leave. Starting Pay will be approximately \$85,000 - \$115,000 annually depending on qualification level and experience. SCPDC is an EOE/AEE.

Resumes will be accepted until position is filled. Send resume to: SCPDC Professional Engineer, PO Box 1870, Gray, LA 70359 or email to: [employment@scpsc.org](mailto:employment@scpsc.org)
